

Weddings

With beautifully landscaped grounds, gardens and historic Manor House, Effingham Manor Winery is a perfect site for your ceremony and reception.

Our 3,300 square foot newly-constructed event center can accommodate up to 150 guests with

dance floor, bar and DJ space. There is also an area for the caterers kitchen.

The outdoor patio has a built-in bar and fireplace that is perfect for your cocktail hour. The English garden could also be used for your cocktail hour. Our Events Director will work with you to give you the wedding of your dreams. We will assist you in selecting the perfect location for your ceremony and cocktail hour and help you with vendor selection and floor plan.
